January 2019

Dear parents and carers,

We would like to thank you for all of your wonderful support during the children's first term in Reception.

They have made a great start to the new term, and we look forward to the coming weeks.

The topic for Spring 1 is '**Tremendous Transport**'. Please find on the back of this letter, examples of some of the learning taking place in Mango and Mulberry Classes this half term.

Phonics Workshops

The rescheduled date for the phonics workshop is **Friday January 25th**. At this session, you will have the chance to see some of the ways the children learn to read and write in Reception. The session will run from drop-off until 9.20.

Please note that this session will replace 'Parent Readers' on that morning.

'Wow!' Cards

Please remember to keep up to date with your child's exciting achievements at home via the 'Wow! Cards', so they can be celebrated and added to our 'Wow! Walls'. Your children have been doing some amazing things.

Cooking

The Reception children take part in regular cooking activities, and we ask if you can please make a contribution of £1 a week or £5 per half term towards the cost of ingredients. Thank you.

Reading Journals and 'Bug Club'

Please make sure you comment in your child's yellow journal so we know how they are getting on with reading at home.

Also, remember login to your child's 'Bug Club' account to access books online. Please let us know if you require more books.

Transport Museum

To support the children's learning around transport, we are excited to inform you that we be visiting The London Transport Museum this half term. You will receive a letter with more details soon.

Forest School

This half term, Mango Class will have Forest School each Monday morning. Mulberry Class will have their sessions next half term.

Junk Modelling

Please bring us your cleaned recycling items so that they can be used for the children's models. Thanks.
